

# PharmaSoft

*Let Us Take Care!*

**AI-Powered  
Solutions  
Transforming  
Pharmacovigilance  
& Regulatory Affairs**

## WHAT WE DO

We bring cutting-edge technology solutions to the pharmaceutical industry, ensuring our clients stay ahead in an ever-evolving landscape.

Our innovative products are designed not just to meet today's challenges but to anticipate tomorrow's needs.

## OUR JOURNEY

Founded in Istanbul, PharmaSoft has been leading the digital transformation of pharmacovigilance for over a decade.

We combine pharmaceutical expertise with advanced AI technology to deliver audit-ready, cloud-based systems trusted by leading global companies.

*Empowering safer, smarter, and more transparent pharmacovigilance through technology.*

### PharmaSoft Suite

Your complete ecosystem for drug safety and regulatory management.

#### PharmaBASE

AI-driven, end-to-end drug safety database  
100% compliant with EMA & FDA.

#### PharmaSEARCH

AI-enhanced medical literature reviewing for pharmacovigilance.

#### DetectIO

AI-powered signal detection & evaluation application.

#### PharmaRIM

AI-assisted regulatory information management & tracking platform.

## WHY CHOOSE US

PharmaSoft delivers next-generation solutions that combine innovation, compliance, and trust. Our technology empowers pharmaceutical companies to work smarter, stay compliant, and ensure patient safety worldwide.
